

ConnectFLOW

Church Members' Portal

Better connect with Members

Your church deserves a Members' Portal! With ConnectFLOW Church Members portal; members can now access all the latest church's announcements, news, updates, etc. All at their fingertips!

Church Forms

Your members will now have the convenience of access to any church-related forms in a matter of a few clicks!

Church Training Classes

Delivering New Members Class and other church training classes has never been easier. Members can now take classes from the comfort of their own computer. Expand your church's training classes to support the new "global" church culture.

Membership Files

It's time to get rid of paper members files and go paperless! Members will now be able to make any updates (i.e. address change, marital status change, etc.) on their own!

New Member Onboarding

Electronically collect your new members profile record information to start their members' file.

Customizable Plan

We understand that every church is unique. Therefore, your ConnectFlow Church Members' Portal will be customized to fit your church's needs. Schedule a FREE consultation to see other features that can support your vision.
